International Research Colloquium 2021

SCMHRD Pune has organized its first International Research Colloquium in February, 2021. The research colloquium focuses on the changed paradigms of conducting research in various business domains. The colloquium hosts an array of highly reputed researchers and faculty members from acclaimed International Business Schools. It complements the Academic research with the Practitioner's perspective. Practitioners from Multinational Enterprises in India, share their perspectives on the changes in the Applied research ensued with this pandemic.

The Pandemic brought about an evolution not only in the business domain but also in Academia. The MOOC which was thought of as a game changer for distant education, soon became a necessity with the Universities opting for various platforms from Zoom to Teams. While the pedagogical process functioned seamlessly, the changes witnessed while conducting applied Research, needs further exploration.

SCMHRD Pune has organized an International Research Colloquium to debate, discuss and deliberate on the impact of the Pandemic on the way research will be spearheaded in future. The Colloquium is scheduled between February 1st -6th 2021 between 9.30 am to 4.30 pm (IST)

The colloquium serves the interest of Faculty Members, Scholars pursuing PhD, MBA Graduates (those who have completed and those pursuing), Corporate Executives and anyone who wishes to understand the changed research paradigm post Pandemic. The registration details are as follows-
