

Placements: MBA- IM 2016-17

MBA in Infrastructure Management is a specialised course designed to cater to the ever growing requirements in the field of infrastructure. Sector specific companies visit the campus for Summer Internship and Final Placements with a plethora of roles and job profiles. Students with engineering background in core specializations, have an unique opportunity of kick-starting their careers in a challenging and ever-diversifying industry.

As a testament to the quality of students and SCMHRD's noteworthy industry standing, Summer Placements for the 2016-18 batch of SCMHRD witnessed a record number of job offers secured by students.

In the Final Placements the institute has once again claimed its rank among the premier B-Schools of the country. Despite the uncertain economic environment, SCMHRD Pune can boast of zealous placements, where companies handpicked best talents of the country, making final offers and pushing the average domestic salary to **Rs. 9.45 LPA.**
