<sup>1</sup> Based on the data in Table 2-1, provide a five-year summary of peer reviewed journals (by name) and the number or publications appearing in each. The number of publications should reflect an unduplicated count for co-authored publications. Please organize by organizational structure of the school's faculty (e.g., departments, research groups) in the same manner as Table

2-1. Editorial board reviewed and peer-reviewed journals should be included. Please split fractionally for co-authorship among faculty employed by the school such that each publication is counted only once. Peer Review Teams may request this information by discipline, department, or major.
