International Research Colloquium 2021

A prelude to S-TEAM 2021

“Changing paradigms of conducting research in various business domains”

February
1-6

About SCMHRD

SCMHRD, established in 1993, is a premier institute honing world class leaders and entrepreneurs. It features in the elite list of B-Schools to have been accredited by the Association to Advance Collegiate Schools of Business (AACSB). The elite brotherhood has only fourteen B-Schools from India and a mere 5% of the total B-Schools across the world. SCMHRD's MBA programme is one of the most prestigious in India. SCMHRD specializes in producing quality talent in the fields of HR, Marketing, Finance, Operations, Infrastructure Development and Management, Business Analytics. Aply supported by a robust curriculum featuring massive experiential learning opportunities to equip the students with applied orientation of thoughts into action in the real world. The research focussed approach of SCMHRD also helps in this direction. Wherein, a quest for a deeper understanding gets etched in the DNA of every SCMHRDian.

SCMHRD has partnerships with National Entrepreneurship Network (NEN) and Symbiosis Center for Entrepreneurship & Innovation (SCEI) to help foster and nurture the spirit of entrepreneurship amongst its students.

International Research Colloquium 2021- A prelude to S-TEAM 2021

SCMHRD Pune has organized its first International Research Colloquium in February, 2021. The research colloquium focuses on the changed paradigms of conducting research in various business domains. The colloquium hosts an array of highly reputed researchers and faculty members from acclaimed International Business Schools. It complements the Academic research with the Practitioner's perspective. Practitioners from Multinational Enterprises in India, share their perspectives on the changes in the Applied research ensued with this pandemic.

The Pandemic brought about an evolution not only in the business domain but also in Academia. The MOOC which was thought of as a game changer for distance education, soon became a necessity with the Universities opting for various platforms from Zoom to Teams. While the pedagogical process functioned seamlessly, the changes witnessed while conducting applied Research, needs further exploration.

SCMHRD Pune has organized an International Research Colloquium to debate, discuss and deliberate on the impact of the Pandemic on the way research will be spearheaded in future. The Colloquium is scheduled between February 1st -6th 2021 between 9.30 am to 4.30 pm (IST).

SCMHRD was conceived a quarter-century ago, with an idea to lay the foundations for an institute that would train the nation's leaders by dispensing quality management education. In this time, SCMHRD has made great strides by providing its students with sophisticated infrastructure to complement the erudite faculty, and has carved a niche for itself in management education. The institute has sculpted astute minds who have exhibited remarkable business acumen and have contributed to the stellar reputation that the institute enjoys today. Scaling great heights by featuring among the top business schools in the country in just 26 years of its existence, SCMHRD is a phenomenon that promises to amaze for years to come.
